**Parent Volunteer Duties:**

HVPW is a not-for-profit organization and we cannot exist without the help of everyone participating in our program. Every parent is expected to volunteer various times throughout our season.

This year we will be collecting a \$25 volunteer concession deposit check at sign-ups (registration). Checks will be held in our bank's deposit box for the season. We ask that parents volunteer 3 times throughout the season to work our concession stand (more or less volunteer times may be required based on the number of participants in each division). Anyone who volunteers as a coach, commissioner, board member, or team parent are exempt from concession obligations; however, we ask that their husband/wife fulfill the volunteer obligation for concession duty. Concession volunteering will be scheduled once the game schedule is compiled, however, we will need volunteers for practice nights also. A volunteering schedule will be made available for each team at the beginning of the season for practice night concession volunteering.

At the conclusion of our season, we will check the volunteer sign-up sheets and if you have fulfilled your volunteer concession obligation we will return your check to you. If you have not fulfilled your volunteer concession obligation then we will deposit your check. The money deposited will be used to pay youth that were used to work your volunteer obligation.

***If you wish to pay the \$25 volunteer concession deposit fee up front for us to use to pay youth to work your volunteer concession obligations for you, you may elect to do so. Please let us know at registration when we collect your \$25 volunteer concession deposit and it will be deposited immediately to pay someone to work for you.***

**Football parents** are asked to volunteer on game days to fulfill the positions of: **Chains** (2 for home games and 1 for away games), **Statistician** (1 for home games and 1 for away games), and **Spotter** (1 for home games and 1 for away games). These positions will be assigned once the game schedule is compiled. If you are scheduled to volunteer for one of these positions and cannot, you must contact the Team Parent ASAP to make arrangements for someone else to fill your position. **ALL FOOTBALL parents must volunteer for these positions; otherwise games will be forfeited if we do not have parent volunteers at the games.** This volunteer responsibility is not included in the above referenced volunteer deposit because we are not allowed to pay youth to work these positions.
